This DVD collection includes one set of google eyes per design. Additional eyes can be found at most craft and hobby stores. Google eye size - 10mm.

Designs may be sewn with or without plastic google eyes. If you don't want to adhere google eyes, be sure to sew the last two colors in the color run sequence. The last two colors will embroider the eyes.

Liquid permanent fabric adhesive is recommended to glue on the eyes. For better adhesion of the google eyes to the sewout **DO NOT SEW THE LAST TWO COLOR CHANGES**. The eyes will adhere better to fabric than to thread. We recommend that you hand wash and hang dry items with glued-on eyes. Dakota Collectibles will not be responsible for google eyes that do not adhere properly.
