1. First sew your design onto a large piece of fabric. (Check to make sure your fabric is large enough for the 12"x4" finished size)

3. Fold the sides in ½" inch and pin in place. Using an iron, press the sides (This step won't be stitched, so it's important to press the sides, so they stay folded in place) Remove all pins before continuing to the next step.

4. Fold down the top of the fabric ½" inch and stitch.

5. Fold down the top another 2" inches and press. (Don't stitch this part)
