

Instructions for Bookmarks

Items you will need for this project:

Fibrous water soluble stabilizer
(cut pieces larger than hoop)

Scissors

Ribbon

1. Hoop two pieces of fibrous water-soluble stabilizer.
2. Embroider the design.
3. Remove from the hoop.
4. Cut away the stabilizer. Use a small brush or Q-tip to apply water to dissolve excess stabilizer. Add ribbon or string. Your bookmark is complete!

Note: To make the bookmark without the loop on top, skip the last color run step.
