

Pin Cushions

Easy-to-create jar lid pin cushions make the perfect addition to any sewing room!

Instructions for the Pin Cushions

Items you will need:

Jar, lid and ring

Fabric (We used scraps.)

Stabilizer-light weight

Hot glue or craft glue

Pencil

Batting

Ribbon

1. Draw a circle 2 inches wider than the jar ring on the fabric and mark the center. Cut a light weight piece of stabilizer the same size as the fabric.

2. Hoop the fabric and stabilizer.
3. Embroider the design.

4. Remove from the hoop.

5. Trim the fabric along the pencil line.

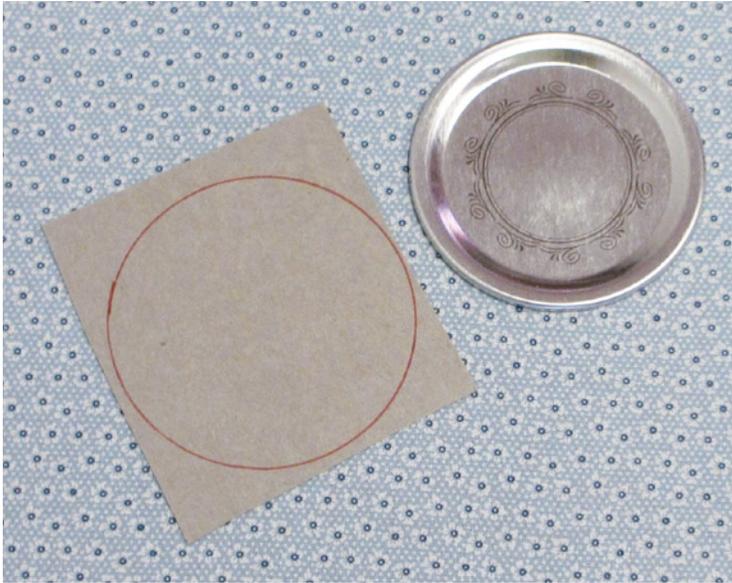

Pin Cushions

Easy-to-create jar lid pin cushions make the perfect addition to any sewing room!

6. Cut a circle from heavy card stock (We used the bottom of a tissue box.) the same size as the jar lid.

8. Lay the card stock over the batting. Push the fabric and batting through the jar ring.

7. Lay the fabric with embroidered side down and lay a small piece of batting in the center.

9. Place glue around the inside edge of the card stock.

Pin Cushions

Easy-to-create jar lid pin cushions make the perfect addition to any sewing room!

10. Fold the fabric to the inside, make sure your fabric looks OK on the top of the jar ring before you glue the fabric on the inside of the lid.

11. Place glue around the top outside edge of the jar lid.

13. Add ribbon to the jar ring. Fill the jar with pins.

12. Place the jar lid with the glue inside the jar ring.
