Inspirations Lunch Bag

Items you will need for this project:

$\frac{2}{3}$ yd. fabric (We used denim.)

Cut away stabilizer (We used lightweight stabilizer.)

27" X 1½" piece of fabric for the binding or 27" of pre-made binding

36" Webbing for the strap

36" Ribbon for the strap

1" piece of hook & loop tape

Design of your choice

Use ¼" seam to assemble the lunch bag. We do recommend using a heavier weight fabric.

1. Cut fabric: two 7" X 9" for the front flap and one 12" X 24" for the bag.
2. Edge stitch the ribbon centered on the webbing.
3. Mark the design center on one front flap piece of fabric.
4. Hoop fabric with two pieces of cut away stabilizer.
5. Embroider design.
6. Remove from hoop.
7. Trim stabilizer close to design.
8. With wrong sides of the flap fabrics together, bind the sides and bottom.
9. With right sides of the 12" X 24" fabric together, stitch the side seams.
10. Form dimensional corners at the bottom of the bag so it will have a "base" to sit on. To accomplish, at the corner align the side seam with the center of the bottom. Add a stitch line 2" from the corner at a right angle to the side seams.
11. Turn right side out.
12. Zigzag the top of the bag and the top of the flap.
13. Center the flap on the "back" of the bag. Pin.
14. Lay the strap between the flap and the bag with the ribbon side facing to the front of the bag.
15. Stitch the strap and flap with a ½" seam.

16. Fold and press the top of the bag ½" to the inside. Edge stitch and 3/8" in from the edge in a contrasting color.
17. Press the corners. Bar tack the corner so it will be easier to fold the side seams to the center.
18. Stitch the hook & loop tape to the bag and flap.
